

Cell discussion ideas for Sunday:

CPC 9.15 & St Mark's 11am services

The reading is Acts 11:19-30

Barnabas was a good encourager: what made him so good?

Do you think that only some people are encouragers?

Who has encouraged you recently and how did they encourage?

Can you think of a time recently when you encouraged someone? What was their reaction?

How can we encourage each other in our Christian lives?

What will you resolve to do to encourage someone this week? (and in future!!)
