Sermon pracy:

If we are starting something new we often want safeguards etc. The 72 only got sparse instructions, each other and the promise that Jesus would be following! They were warned of dangers and opposition and told not to be distracted by clutter. They were not the 'A' team but the job was urgent and God took what they had, empowered them with the Holy Spirit and they came back rejoicing because they had seen miracles; physical and spiritual healings had changed peoples' lives.

Cell discussion starters

(Don't feel you have to discuss all of them!!!)

How does this reading make you feel? Is there anything which scares you, or anything you find it hard to believe that you could do?

Do you ever feel that you are in the reserve team as a Christian?

What does or might help you to feel differently?

Do you ever feel that God is 'telling' you to speak to someone about him or to offer to pray for healing for them?

How can we decide if someone is ready to accept God's love and salvation?

What do you see in society which should help us to sense the urgency of doing God's work?

For your private prayer – you can ask God if there is someone that you might get alongside, to minister for him together.
