

Song No. 8

E
If I could make it clear
A
Like a mountain spring is clear
E
If I could make it clear
A B7
And allow your heart to hear
A B7 C#m A
Ah then, He could change your world
F#m B7
Ah then...

But you have to listen E
It's something you must do A
Yes, you have to listen E
And let the word come through A B7

A B7 C#m A
Ah then, He could change your world
F#m B7
Ah then...

A G#m
Jesus, name above all other
F#m G#m
Jesus, saviour and brother
A G#m
Jesus, name to discover
F#m B7
Ah then

They say it can't be understood E
Without being believed A
Truth can't be understood E
And not be received A B7

A B7 C#m A
Ah then, He could change your world
F#m B7
Ah then...

No clever arguments E
Only the cross A
No clever arguments E
Before the cross they are all lost A B7
